25X1A9a Dear Mr. [REDACTED]:

I want to express the Medical Staff's warm appreciation to you and each member of your staff for the handsome enlargements of our color transparencies. Having had only an amateur's exposure to this technique, I can well imagine the tremendous amount of time, effort and skill that went into this undertaking.

I hope that future visits to the Medical Staff by you and your colleagues will be made somewhat more pleasant through your contribution. Please accept my deepest thanks again.

Very truly yours,

Signed

[REDACTED]
Deputy Chief, Medical Staff
